Dr. Chakraborty,

Thank you for inquiring the “Adopt a Village” income/ expense reports
“Adopt a Village”Preventive Rural health initiative in India was an approved project by EC, GB, a contract signed by AAPI and GTC , reviewed by AAPI Legal Attorney, Harilal before project v

I request Vijaya Kodali, office manager to present and submit the financials of the project.

As far as I know Me nor Dr. Satheesh Kathula have any financial conflict of Interest with GTC in this project . He has sincerely given us this statement before we even started the project.

It was launched by AAPI by 5 CGs of India on Aug 27 th ,2021

Much of the information is recorded/ noted in all EC meetings/ GB Meetings/ AAPI Journals 2021-22-23 Kindly review all the reports, pictures since its inception as it is all at AAPI office

GTC headed by Dr. Murthy Gokula , presented the logistics and implementation of this project on ground in rural India with 75 villages pan India at AAPi meetings

Me, neither Dr. Kathula , who is Chair of “Adopt a Village Project” for many years have any financial conflicts with GTC nor in this project

I request the office to submit the financial report to your committee

Thank you for the trust on leaders who worked hard to uplift the organization !!

From the AAPI President's Desk:

Greetings to our beloved members!

*** Prevention is better than Cure!!**

AAPI launched the “Adopt a Village” a Rural India Healthcare initiative of Comprehensive Free Health screenings in 75 Villages on August 27th with th gracious presence of Consul general of Houston, Honorable Mr Aseem Mah CG of Chicago, Honorable Mr Amit Kumar, CG of Atlanta, Honorable Dr. Swa Kulkarni, CG of New York, Honorable Mr. Randhir Jaiswal, and Deputy CG o Francisco, Honorable Mr. Rajesh Naik. They all gave an important message physicians how Rural Healthcare can be helped with development of digital Telehealth platforms and Government has several healthcare schemes to bri healthcare access to rural citizens.

75 Rural villages will be adopted in honor of India’s 75 years of Independenc “Azadi Ka Amrit Mahotsav “

Residents of 75 rural villages from 5 states: Andhra Pradesh, Gujarat, Karna TN and TS will be screened for Diabetes/ HTN/CKD/Hyperlipidemia/Anemia/ Hypoxemia and the results will be analyzed by Global TeleClinics with free h counselling of life style modifications and help to control/reverse the disease data will as well be analyzed to detect the seriousness of these major silent k killers in the rural population of India

You can sponsor a Village by emailing to aapipresident@aapiusa.org

We thank all our sponsors who sponsored their villages so far.
